

## PE and Sport Premium Overview

**For the academic year 2013 -2014 our school received £7880 Sports Premium Grant**

This was spent in the following way:

Contributed to DASP in order to employ an additional Sports Teachers. For our mini-pyramid (St Mary's) we have Levi Dailey allocated to our school and he attends Milborne regularly working with the children. He also works with the teachers to develop our PE provision and to train staff for future PE teaching.

The remainder of our grant was pooled with some other DASP schools and this has enabled the employment of Elliot Sawyer who supports PE in school and provides lunchtime PE clubs.

**For the academic year 2014 - 2015 our school has received £8827 this has been spent in the following ways:**

£4425 was contributed to DASP Ltd to continue to employ Levi Dailey as a sports teacher. He continues to attend Milborne regularly working with the children. He also works with the teachers to develop our PE provision and to train staff for future PE teaching.

£3000 of our grant was pooled with some other DASP schools and this has enabled the continued employment of Elliot Sawyer who supports PE in school and provides lunchtime PE clubs.

The remaining £1402 funds have been put towards the cost of the Action Van visits.

**For the academic year 2015-2016 our school anticipates receiving £ 8320, this will be spent in the following ways:**

- Subject coordinator to work alongside teachers with particular focus on assessment and differentiation using 'Real PE' and school assessment grid
- Implement a wide range of sports activities before, during and after school
- Include PE lesson observations as part of SLT's monitoring schedules
- Target particular groups
- Increased skill set of teaching staff including: understanding of how to teach technical aspects; ability to differentiate; ability to create a learning pathway of next steps for individual children using the 'Real PE' scheme.

£ 4162.50 will be contributed to DASP Ltd to employ Levi Dailey, to to continue his support with our school and facilitate intra games against other schools. He will support our Outdoor Education programme, attending Milborne regularly to work with the children. He will also work with the Teaching Assistants to develop our OE provision and to train staff with our multi-ability cog learning.

£1495 of our grant has been used to purchase 'Real PE Programme' this includes training for all teachers, scheme of work and supporting resources.

£198 to purchase Storycises, graded exercises in a programme of foundation movements presented in a story format to use with Reception children.

£595 Maths of the Day

£208 Attendance at Real PE conference and supply teacher cover

The remaining £1661.50 will be put towards developing the school's outdoor facilities.

Our intended outcomes from this expenditure are as follows:

- Increased leadership capacity in terms of OE and 'Real PE' multi-ability cogs through a tailored written scheme for our school.
- Increase in number of children taking part in competitive sport during school time (inter & intra)

**Main Use - DASP Coordinator and OLL**

Developing learning and teaching

**Impact**

All PE lessons are now observed to be consistently good across the school. Staff mostly wear PE kit to model the importance of being in appropriate kit and ensures teachers are able to model skills to children effectively.

Assessment data across the year shows an increase in the percentage of children meeting age related expectations or above age related expectations; KS1 58%, KS2 80%.

Teaching staff interview shows:

100% of staff agree that:

- they feel more confident teaching PE
- their subject knowledge has improved
- their understanding of the progression of skills has improved

Pupil voice indicates:

100% of sampled children enjoy their PE lessons with 13% indicating that they would change nothing about PE while the other 87% would like to do more of their favourite activity

**Other uses**

Equipment

**Impact**

Children and teachers have appropriate equipment to support learning

Staff training

Teachers have received training on:

Planning/Skills progression/Assessment - all of which has supported teachers in delivering high quality PE teaching through 'Real PE'
