

YEAR 1

AUTUMN 2 HOMEWORK

This half term your challenge is to learn a new poem, song or nursery rhyme by heart. When you are ready you will perform it to the rest of the class. You may dress up, add actions and use props if you wish.

Remember a loud and clear voice.

Please let Mrs Gough or Mrs Andrews know when you are ready.

We are looking forward to watching your performance.

Regards

Audrey Andrews and Sam Gough
