Home Learning Year 3 W/C: 06.07.20

This week we are working on:

Maths:

Fractions

Chapter 11 Lessons 17, 18, 19 and 20. Workbook 3B.

PARENTS: We have added the lessons plans (and answers) that accompany these 4 lessons as a single powerpoint called MATHS Week 13 Year 3. The Powerpoint also includes some mastery questions.

There will also be a problem solving question uploaded to Tapestry.

Times tables: practise your times tables up to 12×12

Doodle: Tables and Maths for 10 minutes, 4 times a week

Literacy:

This week we are not using the book. Instead you need to complete these activities below.

1) On the website you will find a Powerpoint called 'Beautiful Beaches Under Threat!'. Complete the facts challenge and then the writing challenge (either the campaign message or the letter).

2) BBC Bitesize: This week we would like you to explore the BBC Bitesize website. You will need to click on KS2 and then on English.

Choose 1 or more activities to complete in the 'Reading and Writing' section. Have fun!

3) Write a poem about food! It's really simple. You just list the foods you like to eat and then find a piece of clothing or an activity that rhymes. There is an example below.

After you have written the poem, try reading it aloud with rhythm and pace. Can you perform it with actions or props? Record your poem on Tapestry.

6.7.20 WALT: Create a rhyming poem

I LIKE FOOD!

I like carrots,
I like beans,
I like eating in my jeans.

I like chocolate,
I like cake,
I like sharing with my pet snake.

Extra Literacy Challenge:

Sharing stories of life in lockdown. Enter a writing competition available at https://generationlockdown.co.uk/

It is for ages 7-17yrs and the closing date is Friday 17th July. The winning entries for each age category will be included in a published book.

Doodle: English and Spell for 10 mins, 4 times a week

Spelling

This week we will be learning the /u/ sound spelt 'ou' in words such as young, touch, double, trouble and country.

Practise Purple pen words - the next 5 words for this week are: heard, heart, height, history and imagine.

Curriculum

The transition activities are still available for you if you haven't already completed them. There are new activities for the other subjects.
